ISTRUZIONI AGGIUNTIVE

In caso del 3° o 4° braccio non inserire piastrina a 3 fori nei bracci centrali, ma solo il carrello. Far passare la fune al lato del perno, tendere molto bene la fune e accertarsi che non si incroci.

ADDITIONAL INFORMATION

In case of 3° or 4° arm do not insert the plate at three holes in the central arm, but only the trolley. Pass the rope to the side of the pin, stretch the rope very well and make sure it does not cross.

ZUSÄTZLICHE INFORMATION

Bei 3° oder 4° Arm die Platte nicht an drei Löchern im Mittelarm einsetzen, sondern nur am Wagen. Führen Sie das Seil zur Seite des Stifts, dehnen Sie das Seil sehr gut und stellen Sie sicher, dass es sich nicht kreuzt.

INFORMATIONS COMPLÉMENTAIRES

Quand on a le 3° ou 4° bras ce n'est pas nécessaire, d'insérer la plaquette à trois trous mais il faut seulement le chariot. Passez la corde sur le côté de l'épingle, étirez très bien la corde et assurez-vous qu'elle ne se croise pas.

INFORMACIÓN ADICIONAL

En caso de brazo de 3° o 4° no inserte la placa en los tres orificios del brazo central, sino solo en el carro. Pasa la cuerda al lado del pasador, estira muy bien la cuerda y asegúrate de que no se cruce.

INFORMAÇÕES ADICIONAIS

No caso do braço de 3° ou 4° não insira a placa nos três orifícios do braço central, mas apenas no carrinho. Passe a corda para o lado do alfinete, estique bem a corda e certifique-se de que não cruza.
